

THE BUSINESS CENTER FOR DIVERSITY AND INCLUSION

Diversity & Inclusion in the workforce is a necessary component of business viability and growth in today's world. As Florida faces worker shortfalls and mass retirements, it is becoming even more critical that organizations access and integrate non-traditional talent pools into their workforce including Persons with Unique Abilities.

The Business Center for Diversity & Inclusion (BCDI) was founded in 2017 to promote, partner, prepare and support local businesses and organizations in reaping the many benefits of being diverse and inclusive in their hiring practices.

Thanks to funding made available through the Florida Department of Education, Division of Vocational Rehabilitation, *the following training is being offered:*

Event: Representative Janet Cruz's Job Fair

Date: July 26th, 2017

Time: 11:30am-12:30pm
