

We want to reward companies that come by our tasting room for after hours team bonding during our monthly Battle of the Biz challenge.

Whichever company brings in the most employees every first Thursday will receive a gift card valued at \$5 per employee that came in that day. A person may only be considered if they purchase food or a beverage of \$5+. The gift card will be valid for one year starting the day after being awarded.

The next Battle of the Biz will be taking place **Thursday, April 6, 2017**. Come make this your company monthly-funday with a night of tasty beers and incredible food.

The Eatery is now open! The Eatery is our in-house restaurant, check out the menu [here](#)!
